2 wire busing line

PRODUCT DETAILS INTRODUCTION

BUSing is an intuitive system of simple programming. It is coming into 2 versions, one without WiFi, the another is WiFi supportive and integrating with Tuya IOT platform for controlling on App remotely at anywhere and anytime. It is suitable to the simplest homes(grand villas) and the simple complex buildings.

NB82730TM/ NB86730TM

SYSTEM UNIQUE ADVANTAGE

> BUSing is an intuitive system of simple programming.

> It is coming into 2 versions, one without WiFi,the another is WiFi supportive and integrating with Tuya IOT platform fcr controlling on App remotely at anywhere and anytime.

> It is suitable to the simplest homes(grand villas) and the simple complex buildings.

> The door sation is available from 1 button to 32 buttons with ultra wide camera view angle up to 130˚/ 170˚ and IP65 waterproof function.

NB82203   NB82251A-4

NB82729KM

7" mechanical button with mute mode

* 32G SD card storage for record
* Voice mail
* Monitor relay
* Call transfer

NB83251A

Fish-eye wide angle camera sensor available in surface & flush mount

* Metallic frame body to be service longer time
* Outstanding waterproof performance-IP65
* Customizable color/ adjustable door open time & volume

NB82727EM/ NB86727EM

7" touch sensor button with GUI menu
Available in WiFi version and Non WiFi version

* 32G SD card storage for record
* Voice mail/replay
* TuyaSmart & Smartlife App supportive
* Customizable App & GUI service

Powered by tuya | WORKS WITH alexa | works with Hey Google

NB82251A-1
(1 button 1 name plate)

NB82251A-2
(2 buttons 2 name plates)

NB82706TM/ NB86706TM

7" capacitive touch button with GUI menu
Available in WiFi version and Non WiFi version

* 32G SD card storage for record
* Voice mail
* TuyaSmart & Smartlife App supportive
* Customizable App & GUI service

Powered by tuya | WORKS WITH alexa | works with Hey Google
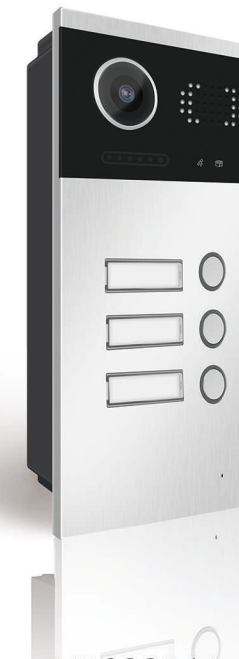

NB82251A-3
(3 buttons 3 name plates)

NB82251A-4
(4 buttons 4 name plates)
